Hi Audrey.
Thanks for following up, and thank you for the comments on the SAP. I have forwarded them to our LSP. I expect to speak with him in detail about the comments later this week, as we would like to

move forward with sampling on the Elliott Landing parcel ASAP.

As for the remaining documents, I expect to have some time this week to review those with my client as well. What are the "corrections" EPA made to the administrative record? I have not yet had a chance to cross-reference this version with the prior version you provided.

Thanks again.

Craig

Craig:

Would you please let us know the status of your review of the USM settlement documents, and when you expect to submit your reply or signature page?

I am also attaching (1) EPA's comments on the sampling and analysis plan; and (2) a corrected list of the documents in administrative record. Should you have any questions, please let us know.

Thanks very much.

Audrey
